## Losers may become servants

Membership campaign chair J.W. Hornsby released a tally of points, including this image that suggests the losing team(s) may have to serve the winners. Which team was on top? Alice Nida's, followed by Bob Craig's, J.W. Hornsby's and Carol Brunty's. The teams of Mickey Tyler and Ken Bailey had no points in this early report.

### This Week's Program

## Job Corps Gives Young People Second Chance

This free education and training program helps young people train for a career while earning a high school diploma or GED, and then helps them find and keep a good job. For eligible young people at least 16 years old who qualify as low income, the Job Corps gives all-around training in skills that are needed for a lifetime of career success.

Our Tuesday program will be center on the **Jacobs Creek Job Corps Center** near Bristol. Speaking will be **Connie Dagg**, a dorm manager at Jacobs Creek. She is an Abingdon High grad who served in the Army in Desert Storm, and will tell about the Corps' "second chance" opportunities.

### Remember

## Orientation Event is Monday

Members who have never attended an orientation program – and those who have, but are a bit rusty on Kiwanis – are invited to come to the Senior Center on May 9 from 6:00 to 7:30 pm. The club will provide h'ordourves, deserts and beverages. Jack White, a past Capital District leader, will present the program with help from Club President Fred Keller. Come and learn about the great worldwide organization of Kiwanis and its work here in Abingdon.

### Club News

## Plumb Alley Day Sponsors

**Alpha Natural Resources** again is the primary P.A.D. sponsor with a donation of \$4,500 to our service activities.

**Bank of Abingdon** and **TruPoint Bank** are the other sponsors with \$500 donations each.

Your club has donated \$1,000 to the local Red Cross Chapter to help with relief efforts after a powerful tornado hit Washington County.

Glade Spring Victim

**Capital Dist. Governor Tom Varner** will be touring Division 8 and speak at our meeting on May 24. The **Membership Drive** has been extended for another week and May 24 will be its last Tuesday.

Plan to be there – to welcome our Kiwanis Governor and support your team.

## Gerry Henninger Is Honorary Member

Declining health caused former club Treasurer and **Hixson Fellow** to end his active membership. But your Board, citing years of faithful service to this club and the community, made Gerry an **Honorary Member**. When able, he may attend some club meetings and events.

**New Leaders Needed.** A **President-Elect** and **Vice-President** are needed for next year's leadership team. See President Fred Keller for more information.
