### **Regulations for Temporary Food Establishments**

#### **Administrative Procedures:**

##### **A. Permit**

1. Persons responsible for the operation of temporary food establishments are required to submit a completed health department application prior to issuance of a temporary food establishment permit. Separate permits are required for each temporary food establishment (12 VAC 5-421-3680).
2. Application forms should be submitted to the health department at least ten days prior to the event (12 VAC 5-421 and 12 VAC 5-421-3670). The state application fee will be \$20.00 for each of the first five (5) applications submitted during the calendar year (January 1<sup>st</sup> through December 31<sup>st</sup>). After five (5) fees are paid (\$100.00), no additional fees are required for the remainder of the calendar year. If a fee(s) has been paid in a different health district the applicant must provide a copy of their receipt to verify payment.
3. A health department permit is not transferable to another party and shall be posted in the facility. A permit is valid only for the specified date, time, and location (12 VAC 5-421-3750-60).
4. Food to be sold or served should be approved in advance by the local health department and shall be in compliance with the requirements set forth in Part A of the Standards section of this policy. Only those food items listed on the application and approved by the local health department may be sold or served.
5. Temporary food establishments shall not operate until a permit is issued (12 VAC 5-421-3660).
6. Local health departments have discretion to issue temporary food permits prior to conducting an opening inspection based on the foods being served (i.e., no potentially hazardous foods or low hazard foods such as hot dogs) and the inspection history of the vendor from previous operations.
